### THIS WEEK!

#### Reform Mounty - The manoeuvrable sloped ground tool carrier

Reform Mounty - the versatile, light weight and compact sloped ground tool carrier. The Mounty series of tractors from Reform are a powerful universal tool carrier.

Reform Mounty allows simultaneous working with front and rear implements with the added comfort of the smooth hydrostatic drive system. Comfortable air-conditioned cabin with a great panoramic view from the driver's seat. Strong lifting front and rear linkages including soft start power take-offs.

These Mounty tractors are ideal for use with a front end loader due to the hydrostatic drive and the extreme movability and ground preservation with the four-wheel steering (with 4 steering modes). The Reform Mounty is unbeatable on sloped ground because of the low centre of gravity, wide wheel track, easily selectable crab steering mode and high power to weight ratio.

For a true all-round tractor call Stocker-Crew and enquire about Reform Mounty tractors today.

## IDIOT of the WEEK!

#### Orsi Flail Mowers

One of the world's leading manufacturers of reach mowers, flail mowers, rotary mowers, offset mowers, forestry mowers, stump grinders, excavator and skid-steer mounted mowers and shredders. Orsi manufacture in Italy and export worldwide and have a great association with Stocker-Crew for the Australian and New Zealand markets.

Orsi Mulchers are designed for:

- Tractors from 12HP to 140HP +
- Skid Steer Loaders
- Telescopic Handlers
- Excavators from 3t to 30t +

Stocker-Crew's entire range of products can be viewed at [www.stockercrew.com.au](http://www.stockercrew.com.au). If you require
