## THIS WEEK!

### Metrac H7 X

### A top product for municipal services application.

The powerful Metrac with high lifting forces for the most demanding tasks.

- Hydrostatic drive with continuous speed selection from 4 speed ranges for the ideal working speed
- Automotive or manual hydrostatic control for various attachments
- Generous space and excellent all-round view in the cab, optionally with air-conditioning so you can focus on your work
- Electronic vibration damping for higher comfort and safety and less wear during work
- Preselectable electro-hydraulic differential locks for front and rear axle for higher safety on slopes
- Front and rear linkages available
- Front and rear PTO's available
- Steering modes - front, rear, circle or crab

**Powerful. Comfortable. Agile**
