THIS WEEK!

END OF YEAR STOCK SPECIALS

Orsi W-Forrest 2100 - \$15,700.00 (RRP \$22,970.00)

No Further Discounts Apply

1 only available at this price

This heavy duty forrest mulcher is built tough for heavy work. This versatile forrest mulcher can be front or rear mounted and can be equipped with an adjustable push bar. With freewheeling 1000rpm gearbox, hydraulically adjustable opening hood, front and rear protection chains, swinging hammers and heavy duty adjustable side skids with wear plates makes this one safe and capable machine.

- Overall width - 2.21m
- Working width - 1.92m
- Overall weight - 1240kg's
- Handles material to ~180mm diameter

Orsi WTH 1150 - \$8,197.00 (RRP \$11,176.00)

No Further Discounts Apply

1 only available at this price

This versatile hydro drive mulcher is suitable for many mounting applications from skid steer loaders, mini excavators, tool carriers and more. If your machine has the oil flow to run the mulcher then this is a very useful tool to have in the shed. With a rear roller belt tensioner and your choice of excavator mounting "A" frame or bobtach style lifting plate and hose kit this really is a bargain. It can be equipped with adjustable side skids and hydraulic side shift if required.

- Overall width - 1.25m
- Working width - 1.10m
- Overall weight - 340kg's
- Handles material to ~50mm diameter

Reform Cutter 100 - \$12,627.00 (RRP \$21,045.00)

No Further Discounts Apply

1 only available at this price

The powerful, professional flail mower, with constantly variable hydrostatic transmission and a 1.0m wide flail cutting deck this truly is a versatile machine. The strong 2-cylinder 16 hp Briggs & Stratton engine has huge power reserves. With electric starter as standard! Dual rubber wheels 5.0-10 for optimum performance on slopes and supplementary cage wheels provide enhanced lateral support. An ergonomic and clearly laid out work station. The controls are ideally located and easy to operate. The handle bar is of course vertically and laterally adjustable without tools. This means that the controls are ergonomically adjustable, even in ditches or alongside obstacles.

Schell FSM3000HG Front Mounted Rotary Mowing Deck + BONUS Zuidberg Front Linkage Kit to suit your tractor

(subject to availability) - **\$27,500.00** (RRP \$48,103.00 Schell deck only)

No Further Discounts Apply

1 only available at this price

Double wall solid construction in the front and critical areas. 5 knives each individually hydraulically driven, opposite turning directions; rear discharge. Work widths of 1.80m, 2.40m and 3.00m possible. Good ground following through independent cutter housings, floating side-wings, moveable through approximately 12cm up or down. Very simple mount and dismount through lift arms with catch hooks and quick-lock system. Spring absorption against collisions in the lift-arms. Mower deck capable of approximately 90 degree swing over to allow for easy access maintenance and cleaning. Includes anti-scalp rollers in the front, rear castor wheels with adjustable arms on both wings for good ground following. Hydraulic wing lift for transport.

Special pricing quoted includes:

- Schell FSM3000HG Cutter Deck - Full Hydraulic Drive
- Schell Twin Pump Power Pack - PTO Driven
- Schell Front "A" Frame Quick Coupling System
- Zuidberg Front Linkage Kit to suit your tractor (subject to availability) - Min \$4,400.00 value

All pricing shown INCLUDES GST

Pricing EXCLUDES freight from Warners Bay, NSW
