THIS WEEK!

ORSI INTRODUCES NEW MODELS IN A REVAMPED RANGE FOR 2013

EVO

EVO-A

Orsi has introduced new models to the already extensive range of flail mowers. The new models include the Maxim, Eagle, Champion, Superior, Evo and the VM rotary series.

These new models complement the existing range by filling the gaps in specifications where required.

MAXIM

MAXIM "TRANSPORT POSITION"

The new series includes the implementation of Hardox in several models to enhance machine strength for the tough Australian conditions.

Orsi can supply a flail mower to suit any application from the small hobby farm to heavy forestry work. The range includes various models that are available for excavator or skid steer applications.

Keep an eye on www.stockercrew.com.au over the next 2 weeks for more information on the new 2013 range.

CHAMPION HARDOX

EAGLE

SUPERIOR HARDOX

VM

VM "TELESCOPIC"

Stocker-Crew welcome new dealer interest.

Contact Stocker-Crew for further information.
