

STOCKER-CREW PRESENTS

CREW-NEWS

THIS WEEK!

Orsi VM Telescopic

Happy new year from the team at Stocker-Crew. We are well and truly back into it, after our end of year break and looking forward to working with you again in 2015.

In this the 50th edition of Crew News we would like to mention that Stocker-Crew, in addition to distributing commercial mowing equipment, also have a range of products suitable for use on vineyard and orchard properties. One of these is the ORSI VM Telescopic.

Heavy duty rotary mower with hydraulically variable widths from 1.9 - 2.6m (VM-T 190-260), smaller sizes available. Ideal for mowing in orchard and vineyard applications where row widths vary.

Call us for further information, or visit www.stockercrew.com.au.
