

STOCKER-CREW
PRESENTS

CREW-NEWS

THIS WEEK!

The City of Albany take delivery of a Noremat Magistra Visiobra M61T to be used for general roadside maintenance with grass cutting and pruning of scrub regrowth.

The NOREMAT MAGISTRA VISIOBRA M61T Reach Mower

A STEP AHEAD OF THE COMPETITION

Why are many reach/boom mower owners changing to the Noremat Magistra Visiobra M61T? Could it be because of the following STANDARD features?

- Digital Electric Proportional Control, single joystick
- Sliding Armrest on controls for operator comfort
- Electronic Sustentation allows operator to concentrate more on the safe tractor operation
- Offset Pivot Point of the main arm to the right hand side of the tractor improves tractor stability and tyre wear costs
- Reversing Shock Absorber/Breakaway protects the noremat machine in the event of an erroneous maneuver
- The Visiobra Concept gives perfect vision for the operator with the road and the mowing head in the same field of vision
- Rotor Stop - Within 3 seconds of switching the rotor off or hitting the emergency STOP button
- Closed Circuit Piston Hydraulics ensures constant high power for operating in all conditions
- Safety Anti-Tipping Device - To prevent the arm tipping due to its own weight when it passes the vertical position
- Dual Pressure Breakaway with auto arm return to work ensures maximum machine safety and operator comfort
- Arm Float - With the float on the arm is free to move to absorb the unevenness of the ground without operator input
- Oil Cooler - 14.5kw capacity including easily removable screen for cleaning
- Quick Coupling for attachments allows for easy changing
- Cutting Head Float - Unique float system allows control over the head angle while float is switched on
- Bi-Directional Rotor Rotation
- Heavy Duty Unibroyeur 1250 cutter head with Rolmax/forest rotor option
- Integrated tool box for grease guns etc.
- Noremat 5-point axle mount quick linkage with articulated top link bracket

Compare what you are using now.

Our competitive pricing includes delivery, fitting and training wherever you

are in Australia.

Call the reach mower professionals.
