Sauter Front Linkage & PTO

Sauter: With more than 100 years of experience in the manufacture of steel products and the past 35 years specialising in the development, production and sale of Front Linkages and front PTOs. Sauter is a brand synonymous with quality, reliability and being technically advanced.

Sauter's aim is to build a front system whose function and design fits perfectly to each tractor type. Using this philosophy and the highest grade materials, Sauter has developed implements specifically for each model available in the following brands of tractors:

- John Deere
- Deutz-Fahr
- New Holland
- Class
- Case IH

Front linkages and PTOs increase the versatility and capabilities of a tractor's performance.

Stocker-Crew is proud to be the importer and distributor of this quality, ready to fit Front Linkage and PTO systems from Sauter.

For more information and brochures, view the **[SAUTER FRONT LINKAGE & PTO SECTION](#)** of our website.
